

PERFORMING ARTS CENTER

Hello Dancers & Parents!

This note includes all the details you need to know for Picture Day at IPAC! The schedule is on the back of this sheet! Do not forget to bring all of your child's costumes on their class' designated time; this note also includes which costume your child should arrive in first if they have multiple costumes.

As in previous years, parents are not allowed in the studio while pictures are being taken. Feel free to wait in the lobby while pictures are being taken; your child may need your help if he or she has a costume change. Please find your child's class day and time, and look to the right for your child's picture time and first costume if they have multiple costumes. Please arrive 10 minutes early on picture day so that we can start promptly. **We ask that all dancers attend picture day, even if parents do not plan to purchase pictures, for the purpose of full group shots.** Picture days will be held on **Monday, April 10 and Tuesday, April 11**. Since both studios will be used for pictures, there will be no dance classes on Monday and Tuesday. We will have dance classes as usual on Wednesday, Thursday, Friday and Saturday of that week.

Photo forms are available at the front desk if you need any additional. A photo form must be filled out PER COSTUME. Be sure to write your dancer's "dance name" on the form (they are listed on the back of this sheet!) Please have your photo form(s) and payment ready to go when arriving for picture day.

### Picture Day Checklist:

- All costumes & accessories for the particular class that is being photographed. If you would like to be photographed in your solo/duet/trio costumes, bring those too!
- Tights On—all dancers (except boys), given to them with their costumes! (Please note: dancers received 1 pair of tights with their costume package; if you need a replacement pair, that must be purchased prior to picture day)
- Shoes that go with each costume. (If your child's shoes do not match his or her class' shoes, please see the front desk if you need help ordering the correct shoes. If you have any questions about shoes, please don't hesitate to ask – we're here to help!)
- Light makeup, if you must—clear lip gloss, a little blush and glitter hairspray are optional. At IPAC we want kids to look like kids! No need to go makeup-heavy :) Troupe dancers can wear eye make-up, light pink lipstick/gloss, and light blush, if they choose.
- Hair can be done as instructed by your teacher for group dances or however you prefer for solos/duets and trios – just be sure that hair is out of the line of vision, we want to see your eyes.
- A Big Smile!!!
